EXPERIENCE

USAID Volunteer 2019-2021

I had the opportunity to work with communities . My role involved collaborating with local organizations and government agencies to implement programs that addressed critical issues

Spanish Tutor 2021-2022

2020-2021 | Online Arabic & English tutoring for Mexicans & Colombians pupils.

April-July 2021 | Trained as a graphic designer at Primedia

2022-Present | Working for Amazon As a S.W.A.T Member (CSA)

2023-present | Full Stack devoloper at Amazon for MENA

As an Amazon Full Stack Developer, I manage diverse projects involving both front-end and back-end development. I collaborate closely with UX/UI designers to create user-friendly websites. My responsibilities include back-end tasks like databases, servers, and APIs Working at Amazon, I thrive in a supportive, growth-oriented culture, collaborating with industry experts on impactful projects. This role continually sharpens my skills, enabling me to make meaningful contributions to a company dedicated to making a difference.
